A Breath of Fresh Care:

Our Response to

Covid-19

How we are adapting to face challenges of today

Want a good reason to book your next meeting or event at iSpace?

Well we've got sixteen.

Here are the measures we're putting in place to ensure you're in safe (and fully sanitised) hands.

16 Point Plan

Science led cleaning

- 1 We are working in collaboration with Eco Efficient, Kuala Lumpur's premier cleaning specialist.
- 2 Detailed cleaning and disinfecting using world-grade steam cleaners up to clinical standards.

In collaboration with :

16 Point Plan

Highly trained teams

- 3 Staff is fully trained on social distancing and new hygiene measures.
- 4 Hand sanitiser's available through out the venue.
- 5 Smart shift rotations to avoid unnecessary team exposure.

Rooms adapted for social distancing

- 6 Tables & chairs are spaced out 1m apart for social distancing.
- 7 Large events will be offered exclusive use of venue floor - not just a room.
- 8 Social distancing signage that clearly reminds but doesn't impose on your event.

Technology enhanced spaces

9

Experts in Hybrid Meeting Solutions for large events.

10

Amplify your event to a larger audience with our hybrid event solution by streaming your physical event to a larger audience at home.

16 Point Plan

Touch-free food offering

- 11 Certification of highest standards of food prep, handling and halal certified.
- 12 Delicious pre-packed meals created by our panel of catering partners.
- 13 Bento boxes pre-loaded with the option to eat within private lunch spaces.

Market-leading value

- 14 More inclusions in our packages such as hand sanitizer gels, water dispenser, and more.
- 15 Comprehensive General Liability Insurance for your added peace of mind.
- 16 Competitive rates and flexible rescheduling terms.
